MEMORANDUM FOR: Deputy Director of Central Intelligence

THROUGH: Acting Deputy Director (Administration)  
Assistant Director for Personnel

SUBJECT: Nominations for Security Hearing Boards

1. In response to this request, we submitted the names of 2 additional employees with a statement that, because of security considerations, our nominations do not constitute a ratio of one nomination to each 1,000 employees as suggested in the circular.

6. In view of the above, it is strongly recommended that, for security reasons, we not increase the number of our nominations to

the Civil Service Commission, inasmuch as to do so would cause considerable speculation as to the size of the Agency by many persons having access to the published roster, and the requests upon our personnel to serve is not excessive.
